

MILE HI R/C CLUB

FIELD OPERATION AND SAFETY RULES

1. This field is governed by AMA Rules and Safety Codes. AMA membership is required.
2. Flying is restricted to members and member accompanied guests only.
3. Use transmitter impound and restrict frequency use to 15 minutes.
4. One active runway at a time.
5. Except for takeoff and landing, all flying will be on the far side of the center line of the active runway. For exception to this rule see field map.
6. Flying over pits, parking area or spectators is absolutely prohibited.
7. All persons at the flight line will stand within the pilot stations. The pilot may be outside of the pilot stations during takeoff and landing. Exception to this rule is allowed during combat events.
8. No starting of engines or taxiing in pit area. Use starting area and direct prop wash away from people and equipment.
9. No pitting in the startup area.
10. Announce takeoffs and landings in a loud, clear voice.
11. Helicopter flying in helicopter area only for hovering flight. All forward flight of helicopters will be the same as fixed wing aircraft (Active runway).
12. Gliders fly same as powered flight (Active runway). No hi-start or winch launches while powered aircraft are in the air.
13. Children under 6 years old are only allowed on the flight line as a pilot or while under flight instruction.
14. All pets will be on a leash. No pets in pit area or on flight line.
15. Only pilots, helpers, and spectators accompanied by a club member are allowed in pit area and on flight line.
16. Should a crash occur, remove all debris from the field. Do not fill trash barrels with crashed aircraft.
17. Firearms, model rockets, and explosive devices are not allowed at the flying field.
18. Gold sticker transmitter and receiver. (All channels).
19. No alcoholic beverages are allowed beyond the spectator fence.
20. Mufflers required on .19 & larger engines.
